Agency response

Marshall has a major north/south highway (U.S. 65) running through it, along with a primary east/west interstate highway (Interstate 70) located just 10 miles south of Marshall, which means the police stop drivers of any race in Marshall. Marshall has two major employers, Cargill Meat Solutions and ConAgra Frozen Foods, that have a large Hispanic workforce. Marshall is home to Missouri Valley College, a liberal arts college that has many minority students. Marshall Habilitation Center, a state facility for the mentally and physically disabled, also has a very large workforce, not all of whom live in Marshall. Of the Black drivers searched, 65 percent were incident to arrest. Of the Hispanic drivers searched, 93 percent were incident to arrest. Of the Asian drivers searched, 66.6 percent were incident to arrest. Department policy requires searches incident to arrest for officer safety.
